MEMORANDUM FOR: Real Estate and Construction Division
ATTENTION : Space Allocations and Facilities Branch
SUBJECT : Request for Mounting of Map

1. This office possesses an Army Map Service world map in nine sections which we desire to have mounted on the wall of Room 3E13. The mounted size of the map will be 12'5-1/2"x8'11".

2. It is requested that the construction be such that the map may be dismantled and moved to another room should this become necessary.

3. It is my understanding that this work should be done in the room in which the mounting is to take place. Since 3E13 is a conference room, please call me to assure when it will be available. I can be reached on extension 7713.
